## **NOTE OF CAUTION Concerning COVID-19 Outbreak**

At the date of this Notice and the accompanying Information Circular, it is the intention of the Corporation to hold the Meeting at the location stated above in this Notice. We are continuously monitoring development of current coronavirus (COVID-19) outbreak (“COVID-19”). In light of the rapidly evolving public health guidelines related to COVID-19, we ask shareholders to consider voting their shares by proxy and **NOT ATTEND THE MEETING IN PERSON**. Shareholders who do wish to attend the Meeting in person, should carefully consider and follow the instructions of the federal Public Health Agency of Canada: (<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>). We ask that shareholders also review and follow the instructions of any regional health authorities of the Province of Alberta, including the Alberta Health Services, and any other health authority holding jurisdiction over the areas you must travel through to attend the Meeting. Please do not attend the Meeting in person if you are experiencing any cold or flu-like symptoms, or if you or someone with whom you have been in close contact has travelled to/from outside of Canada within the 21 days immediately prior to the Meeting. All shareholders are strongly encouraged to vote by submitting their completed form of proxy (or voting instruction form) prior to the Meeting by one of the means described in the Management Information Circular accompanying this Notice.

The Corporation reserves the right to take any additional pre-cautionary measures deemed to be appropriate, necessary or advisable in relation to the Meeting in response to further developments in the COVID-19 outbreak, including: (i) holding the Meeting virtually or by providing a webcast of the Meeting; (ii) hosting the Meeting solely by means of remote communication; (iii) changing the Meeting date and/or changing the means of holding the Meeting; (iv) denying access to persons who exhibit cold or flu-like symptoms, or who have, or have been in close contact with someone who has, travelled to/from outside of Canada within the 21 days immediately prior to the Meeting; and (v) such other measures as may be recommended by public health authorities in connection with gatherings of persons such as the Meeting. Should any such changes to the Meeting format occur, the Corporation will announce any and all of these changes by way of news release, which will be filed under the Corporation’s profile on SEDAR at [www.sedar.com](http://www.sedar.com). We strongly recommend you check the Corporation’s profile on SEDAR prior to the Meeting for the most current information. In the event of any changes to the Meeting format due to the COVID-19 outbreak, the Corporation will **not** prepare or mail amended Meeting Proxy Materials.

## SOLICITATION OF PROXIES BY MANAGEMENT

### Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are directors and/or officers of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. This solicitation is made on behalf of the management of the Corporation. The costs incurred in the preparation and mailing of the Notice of Meeting, form of proxy and this Information Circular will be borne by the Corporation. In addition to the mailing of these materials, proxies may be solicited by personal interviews or telephone by directors and officers of the Corporation, who will not be remunerated therefor.

The information set out below generally applies to registered holders of Shares (“**Registered Holders**”). If you are a beneficial shareholder of Shares (*i.e.*, your Shares are held through an Intermediary), see “*Management Information Circular – Notice to Beneficial Shareholders*” in this Information Circular.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

At the date of this Notice and the accompanying Information Circular, it is the intention of the Corporation to hold the Meeting at the location stated above in this Notice. We are continuously monitoring development of current coronavirus (COVID-19) outbreak (“COVID-19”). In light of the rapidly evolving public health guidelines related to COVID-19, we ask shareholders to consider voting their shares by proxy and **NOT ATTEND THE MEETING IN PERSON**. Shareholders who do wish to attend the Meeting in person, should carefully consider and follow the instructions of the federal Public Health Agency of Canada: (<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>). We ask that shareholders also review and follow the instructions of any regional health authorities of the Province of Alberta, including the Alberta Health Services, and any other health authority holding jurisdiction over the areas you must travel through to attend the Meeting. Please do not attend the Meeting in person if you are experiencing any cold or flu-like symptoms, or if you or someone with whom you have been in close contact has travelled to/from outside of Canada within the 21 days immediately prior to the Meeting. All shareholders are strongly encouraged to vote by submitting their completed form of proxy (or voting instruction form) prior to the Meeting by one of the means described in the Management Information Circular accompanying this Notice.

The Corporation reserves the right to take any additional pre-cautionary measures deemed to be appropriate, necessary or advisable in relation to the Meeting in response to further developments in the COVID-19 outbreak, including: (i) holding the Meeting virtually or by providing a webcast of the Meeting; (ii) hosting the Meeting solely by means of remote communication; (iii) changing the Meeting date and/or changing the means of holding the Meeting; (iv) denying access to persons who exhibit cold or flu-like symptoms, or who have, or have been in close contact with someone who has, travelled to/from outside of Canada within the 21 days immediately prior to the Meeting; and (v) such other measures as may be recommended by public health authorities in connection with gatherings of persons such as the Meeting. We strongly recommend you check the Corporation’s profile on SEDAR prior to the Meeting for the most current information. In the event of any changes to the Meeting format due to the COVID-19 outbreak, the Corporation will **not** prepare or mail amended Meeting Proxy Materials.

#### APPOINTMENT AND REVOCATION OF PROXIES

Accompanying this Information Circular is a form of proxy for holders of Shares. The persons named in the accompanying form of proxy are directors and/or officers of Hemostemix and have indicated their willingness to represent as proxy the Shareholders who appoint them. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to represent such Shareholder at the Meeting other than the persons designated in the form of proxy accompanying this Information Circular either by inserting such person's name in the blank space provided in the form of proxy or by completing another form of proxy.**

#### Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or to the Corporation at 8<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 or Suite 1150, 707 – 7 Avenue SW, Calgary, Alberta T2P 3H6, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

In order to be valid and acted upon at the Meeting, proxies must be received not later than 11:00 a.m. (MST) on **Thursday, May 27, 2021** or not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time for holding the Meeting or any postponement(s) or adjournment(s) thereof. Failure to so deposit a form of proxy will result in its invalidation. Notwithstanding the foregoing, the chair of the Meeting has the discretion to accept proxies received after such deadline.

## NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Shares in their own name. Beneficial Shareholders should note that only those Shareholders whose names appear on the register of the registrar and transfer agent for Hemostemix as Registered Holders or duly appointed proxyholders are recognized and permitted to vote at the Meeting. Many Shareholders are "non-registered" shareholders because the Shares they own are not registered in their names but are instead registered in the names of Intermediaries through which they hold their Shares. More particularly, a person is not a Registered Holder of Shares if such Shares are held on behalf of that person (the "**Beneficial Shareholder**") and are registered either: (a) in the name of an Intermediary that the Beneficial Shareholder deals with in respect of the Shares; or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In Canada, the vast majority of shares are registered in the name of CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms. Shares so held by Intermediaries can only be voted (for or against resolutions) upon the instructions of Beneficial Shareholders. Without specific instructions, Intermediaries are prohibited from voting Shares held for Beneficial Shareholders. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person or that the Shares are duly registered in their name.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the voting instruction form supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided to Registered Holders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails the form to Beneficial Shareholders and asks Beneficial Shareholders to return the form to Broadridge, or otherwise communicate voting instructions to Beneficial Shareholders (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted. If you have any questions respecting the voting of Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.** In accordance with the requirements of the Canadian Securities Administrators, Hemostemix will have distributed copies of the Notice of Meeting, this Information Circular and the accompanying form of proxy (collectively, the "**Meeting Materials**") to Intermediaries for distribution to applicable Beneficial Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Beneficial Shareholders. Hemostemix will not send proxy-related materials directly to non-objecting or objecting Beneficial Shareholders; however, such materials will be delivered to Beneficial Shareholders by Broadridge or through Beneficial Shareholders' Intermediaries. Hemostemix will pay the reasonable fees and costs of Broadridge or a Beneficial Shareholder's Intermediary to deliver the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to objecting Beneficial Shareholders.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of its Intermediary, it may attend the Meeting as a proxyholder for the Registered Holder and vote its Shares in that capacity. **Should a Beneficial Shareholder wish to vote at the Meeting in person, it should enter its own name in the blank space on the form of proxy provided to the Beneficial Shareholder and return the document to its Intermediary in accordance with the instructions provided by such Intermediary well in advance of the Meeting.**

## NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Alberta, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation was amalgamated under the *Business Corporations Act* (Alberta) (the "**ABCA**"), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

## **Oversight and Description of Director and NEO Compensation**

The Board as a whole assumes responsibility for reviewing and monitoring compensation for the Corporation's senior management, and as part of that mandate determines the compensation of the Corporation's CEO and CFO. The Board wishes to provide information about the Corporation's executive compensation objectives and processes and to discuss compensation decisions relating to its NEOs and directors listed in the compensation tables that follow.

The Board considers not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial situation of the Corporation both in the mid-term and the long-term. Because stock options do not require cash disbursement by the Corporation they are an important element of executive compensation. Additional information about the Corporation and its operations is available in the Corporation's consolidated financial statements for financial years ended December 31, 2019 and December 31, 2020, and related management's discussion and analysis for the year ended December 31, 2020, which have been filed with regulators and are available for review under the Corporation's profile under the Corporation's corporate profile at [www.sedar.com](http://www.sedar.com).

The Board has assessed the Corporation's compensation plans and programs for its executive officers to ensure alignment with the Corporation's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Corporation. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Corporation has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Corporation, none of the executive officers or directors has purchased such financial instruments.

## **COMPENSATION**

The Corporation's executive compensation program is administered by the compensation committee (the "**Compensation Committee**") of the Board (formerly a combined Corporate Governance and Compensation Committee).

The members of the Compensation Committee is currently composed of: Dr. Ronnie Hershman, Chair, Peter Lacey and Loran Swanberg. As part of its mandate, the Compensation Committee reviews and recommends to the Board the remuneration of the NEOs.

- (h) review and recommend to the Board any significant changes to the overall compensation program; and

- (i) review the adequacy and form of the compensation of directors periodically to determine if the compensation realistically reflects the responsibilities and risks involved in being an effective director and committee member, and to report and make recommendations to the Board accordingly;

### ***Compensation Philosophy and Objectives of the Compensation Program***

The Corporation's compensation program intends to seek to encourage further development and commercialization of the technologies. To achieve these objectives, the Corporation believes it is critical to create and maintain a compensation program that will attract and retain committed, highly qualified personnel by providing appropriate rewards and incentives, motivate their performance in order to achieve the Corporation's strategic objectives and align the interests of executive officers with the long-term interests of the Corporation's shareholders and enhancement in share value.

### ***Compensation Objectives and Elements of NEOs Compensation***

The Corporation compensates (or where necessary and applicable pursuant to the Management Agreement, enables or is ultimately responsible for indirect compensation of) its NEOs through the following: (a) base salary; (b) discretionary cash bonuses paid from time to time based on performance; and (c) long-term incentive compensation consisting of grants of Options at levels which the Compensation Committee believes are reasonable in light of the performance of the Corporation.

#### *Base Salary*

Base salaries are intended to compensate each NEO's core competencies, skills, experience and contribution to the Corporation. The Compensation Committee believes that base salaries should be competitive but total compensation should be weighted toward variable, long term performance-based components.

The Compensation Committee, in conjunction with the Board, periodically reviews and selects a compensation peer group of companies involved in biotechnology research and development similar to the area in which the Corporation operates. Base salaries are periodically compared to the Corporation's industry peer group through publicly available information and available compensation surveys prepared by compensation consultants. Consideration has been and will be given to the Corporation's growth plans, area of operations and its objective of attracting and retaining highly talented individuals from within the industry.

#### *Cash Bonus*

Discretionary cash bonuses are intended to motivate and reward the accomplishment of specific business and operating objectives within a defined period. Cash bonuses are paid at the discretion of the Board on the recommendation of the Compensation Committee, based upon the achievement of certain corporate objectives. Cash bonuses awarded by the Compensation Committee are intended to be generally competitive with the market. The Compensation Committee considers the Corporation's performance during the year with respect to the qualitative goals in the context of market and economic trends and forces, extraordinary internal and market-driven events, unanticipated developments and other extenuating circumstance in making bonus determinations.

No cash bonus payments were made in 2020 or as of the date of this Information Circular. At this point the Corporation does not anticipate awarding cash bonuses during 2021. Similar to the determination of base salaries, consideration will be given to the Corporation's compensation peer group and other factors including the overall Corporation's performance and employee performance when determining if any cash bonuses were to be paid.

Proposed cash bonuses for NEOs, excluding the CEO, will be recommended by the CEO, reviewed by the Compensation Committee, and, if deemed appropriate, recommended to the Board for approval. Any cash bonus to be paid to the CEO will be determined by the Board based on recommendations received from the Compensation Committee.

The members of the Corporation's corporate governance committee (the "**Corporate Governance Committee**") of the Board is currently composed of: **Peter Lacey, Chair, Dr. Ronnie Hershman and Loran Swanberg.**

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

The Corporate Governance Committee is responsible for ensuring conformity with the following corporate objectives:

- (a) review and recommend for approval by the Board, the Corporation's key human resources policies;
- (b) review and reassess the adequacy of its mandate at least annually, and otherwise as it deems appropriate, and recommend changes to the Board. Such review shall include the evaluation of the performance against criteria defined in the Corporate Governance and Board mandates; and
- (c) perform any other activities consistent with its mandate, the Corporation's by-laws, governing laws and applicable regulations or rules.

### Board of Directors

Pursuant to NI 58-101, a director is independent if the director has no direct or indirect relationship with the issuer. A material relationship is a relationship which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Corporation.

The Board is currently composed of four members – **Peter Lacey, Thomas Smeenk, Dr. Ronnie Hershman and Loran Swanberg.** Peter Lacey, Dr. Ronnie Hershman and Loran Swanberg are considered to be independent within the meaning of NI 58-101. Thomas Smeenk is not independent (President and CEO of the Corporation). In assessing whether a director is independent for these purposes, the circumstances of each director have been examined in relation to a number of factors.

The independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates its exercise of independent supervision over management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has free access to the Corporation's external auditors, legal counsel and to any of the Corporation's officers.

The Board is responsible for ensuring that new directors are provided with an orientation and education program, which will include written information about the duties and obligations of directors, the business and operations of the Corporation, documents from recent Board meetings, and opportunities for meetings and discussion with senior management and other directors. Directors are expected to attend all Board meetings and prepare thoroughly in advance of each Board meeting in order to actively participate in the deliberations and decision-making process.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Board notes that it has benefited from the diverse experience and knowledge of its constituent members in respect of the evolving governance regime and principles. The Board ensures that all directors are apprised of changes and proposed changes in the Corporation's operations and business.

### **Ethical Business Conduct**

The Board is apprised of the activities of the Corporation and ensures that it conducts such activities in an ethical manner. The Board has not adopted a written code of business conduct and ethics; however, the Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct. In particular, the Board ensures that directors exercise independent judgment in considering transactions and certain activities of the Corporation by holding in camera sessions of independent directors, when appropriate, and by having each director declare his or her interest in a particular transaction and abstaining from voting on such matters, where applicable.

### **Nomination of Directors**

The Board is responsible for identifying and evaluating qualified candidates for nomination to the Board and does not have a separate nominating committee. The process by which candidates are identified is through recommendations presented to the Board, which establishes qualifications based on corporate law and regulatory requirements as well as education and experience related to the business of the Corporation. In identifying candidates, the Board considers the competencies and skills that the Board considers to be necessary for the Board as a whole to possess, the competencies and skills that the Board considers each existing director to possess, the competencies and skills each new nominee will bring to the Board and the ability of each new nominee to devote sufficient time and resources to his or her duties as a director. The Board also considers candidate independence and financial acumen in making recommendations for nomination. The Board does not keep a formal list of potential directors. The core competencies of any new director would be determined by the Board on a case by case basis depending on which existing director was to be replaced or what perceived area of expertise needed to be addressed.

Pursuant to its mandate, the Board takes responsibility for establishing and reviewing the Corporation's system of corporate governance and its response to and compliance with any applicable regulatory guidelines. ### **Approval of the Option Plan**

The Corporation has in place a 10% "rolling" Plan whereby the Board may allocate a maximum of 10% of the issued and outstanding Shares from time to time for issuance under the option plan. The option plan was last approved by the Shareholders on May 6, 2020, which was attached as Schedule "B" to the management information circular of Hemostemix dated May 25, 2017, which was filed on [www.sedar.com](http://www.sedar.com) on June 6, 2017 (herein referred to as the "**Option Plan**"). There have not been any amendments made to the Option Plan since that time.

The following is a summary of material terms of the Option Plan:

- (a) Persons who are Service Providers to the Corporation or its affiliates, or who are providing services to the Corporation or its affiliates, are eligible to receive grants of options under the Option Plan;
- (b) options granted under the Option Plan are non-assignable and non-transferable and are issuable for a period of up to ten (10) years;
- (c) for options granted to Service Providers, the Corporation must ensure that the proposed Optionee is a bona fide Director, Officer, Employee, Management Company Employee, Consultant or Company Consultant, and also includes a company, 100% of the share capital of which is beneficially owned by one or more Service Providers;
- (d) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Corporation, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Corporation;
- (e) if an Optionee dies, any vested option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same;
- (g) the exercise price of each option will be set by the Board at the time such Option is allocated under the Option Plan, and cannot be less than the Discounted Market Price;

- (h) vesting of options shall be at the discretion of the Board and, with respect to any particular Options granted under the Option Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where application, vesting of Options will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Corporation or any of its affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Corporation or any of its affiliates during the vesting period;
- (i) the Board reserves the right in its absolute discretion to amend, modify or terminate the Option Plan with respect to all common shares in respect of options which have not yet been granted under the Option Plan; and
- (j) any amendment to any provision of the Option Plan will be subject to any necessary Regulatory approvals unless the effect of such amendment is intended to reduce (but not to increase) the benefits of the Option Plan to Service Providers.

The Board has determined that, in order to reasonably protect the rights of participants, as a matter of administration, it is necessary to clarify when amendments to the Option Plan may be made by the Board without further shareholder approval. Accordingly, the Option Plan also provides that the Board may, without shareholder approval:

- (a) make amendments of a housekeeping nature to the Option Plan;
- (b) change the vesting provisions of a security or the Option Plan; and
- (c) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date.

The Corporation will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:

- (a) the Plan, together with all of the Corporation's other previous Share Compensation Arrangements, could result at any time in:
  - (i) an increase the aggregate number of Shares which may be issued under the Plan;
  - (ii) materially modify the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation;
  - (iii) add any form of financial assistance or any amendment to a financial assistance provision which is more favourable to participants under the Plan;
  - (iv) add a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserve; and
  - (v) materially increase the benefits accruing to participants under the Option Plan.

Also, the Option Agreement may contain such other provisions as the Board deems appropriate, provided such provisions are not inconsistent with the Plan and the requirements of the TSX Venture Exchange.

In addition, for as long as the Shares of the Company are listed on the TSX Venture Exchange, the Company shall comply with the following requirements:

- (a) Options to acquire more than 5% of the issued and outstanding Shares of the Company may not be granted to any one individual in any 12 month period;
- (b) Options to acquire more than 2% of the issued and outstanding Shares of the Company may not be granted to any one consultant in any 12 month period; and
- (c) Options to acquire more than an aggregate of 2% of the issued and outstanding Shares of the Company may not be granted to persons employed to provide Investor Relations Activities in any 12-month period;

As the Option Plan is a "rolling plan", annual shareholder approval of the Option Plan is required by the TSXV. In accordance with the policies of the TSXV, the Corporation requests Shareholders to consider, and if thought advisable, to ratify and approve, with or without amendment, an ordinary resolution substantially in the form set forth below:

**"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:**

2. the form of the Option Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities, or at the discretion of the board of directors of the Corporation (the "**Board**") acting in the best interests of the Corporation without requiring further approval of the shareholders of the Corporation; and
3. any one director or officer of the Corporation be and is hereby authorized and directed, upon the Board resolving to give effect to this resolution, to take all necessary steps and proceedings, and to execute, deliver and file any and all applications, declarations, documents and other instruments and do all such other acts or things (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to the provisions of this resolution."

To be effective, the resolution must be passed by at least a majority of the votes cast at the Meeting. **Unless otherwise directed by the Shareholders appointing them as proxyholder, the persons named in the accompanying form of proxy intend to vote all Shares in respect of which they are appointed proxyholder FOR the approval of the Option Plan.**
