1. NOTES TO READER

Introduction

This management information circular dated as of April 30, 2025 (this "**Information Circular**") is furnished in connection with the solicitation of proxies by and on behalf of the management of Hemostemix Inc. ("**Hemostemix**" or the "**Corporation**") for use at the annual and special meeting (the "**Meeting**") of the holders ("**Shareholders**") of common shares ("**Shares**") in the capital of the Corporation to be held at the time and place via Microsoft Teams on Friday, June 6, 2025 or at any postponement(s) or adjournment(s) thereof, for the purposes set forth in the Notice of Meeting accompanying this Information Circular.

The Notice of Meeting, this Information Circular and the accompanying form of proxy are being mailed or delivered to Shareholders of record as at April 30, 2025 (the "**Record Date**"). Unless otherwise specified, all dollar amounts in this Information Circular are expressed in Canadian dollars.

No person has been authorized to give any information or make any representation in connection with the matters to be considered at the Meeting other than those contained in this Information Circular and, if given or made, any such information or representation must not be relied upon as having been authorized.

Information contained or otherwise accessed through Hemostemix's website at www.hemostemix.com does not constitute part of this Information Circular.

Information Contained in this Information Circular

The information contained in this Information Circular is given as at April 30, 2025 except where otherwise noted.

This Information Circular does not constitute an offer to buy, or a solicitation of an offer to sell, any securities, or the solicitation of a proxy, by any person in any jurisdiction in which such an offer or solicitation is not authorized or in which the person making such an offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such an offer or solicitation.

Shareholders should not construe the contents of this Information Circular as legal, tax or financial advice and should consult with their own professional advisors in considering the relevant legal, tax, financial or other matters contained in this Information Circular.

If you hold Shares through a broker or other intermediary (or an agent or nominee thereof), including, without limitation, banks, trust companies, securities dealers or brokers and trustees, or administrators of self-administered registered retirement savings plans, registered retirement income funds, registered education savings plans or tax free savings accounts and similar plans (each, an "**Intermediary**"), you should contact your Intermediary for instructions and assistance in voting your Shares that you beneficially own.

2. SOLICITATION OF PROXIES BY MANAGEMENT

Appointment of Proxy Holders

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Corporation.

If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.

Voting by Proxy Holder

The persons named in the Proxy will vote or withhold from voting the Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Shares represented by the Proxy for the approval of such matter.

This solicitation is made on behalf of the management of the Corporation. The costs incurred in the preparation and mailing of the Notice of Meeting, form of proxy and this Information Circular will be borne by the Corporation. In addition to the mailing of these materials, proxies may be solicited by personal interviews or telephone by directors and officers of the Corporation, who will not be remunerated therefor.

The information set out below generally applies to registered holders of Shares ("**Registered Holders**"). If you are a beneficial shareholder of Shares (*i.e.*, your Shares are held through an Intermediary), see "*Management Information Circular – Notice to Beneficial Shareholders*" in this Information Circular.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Corporation's transfer agent, Computershare Trust Company of Canada ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to Attn: Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Corporation's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

3. APPOINTMENT AND REVOCATION OF PROXIES

Accompanying this Information Circular is a form of proxy for holders of Shares. The persons named in the accompanying form of proxy are directors and/or officers of Hemostemix and have indicated their willingness to represent as proxy the Shareholders who appoint them. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to represent such Shareholder at the Meeting other than the persons designated in the form of proxy accompanying this Information Circular either by inserting such person's name in the blank space provided in the form of proxy or by completing another form of proxy.**

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or to the Corporation at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 or Suite 1150, 707 – 7 Avenue SW, Calgary, Alberta T2P 3H6, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

In order to be valid and acted upon at the Meeting, proxies must be received not later than 11:00 a.m. (MST) on June 4, 2025 or not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time for holding the Meeting or any postponement(s) or adjournment(s) thereof. Failure to so deposit a form of proxy will result in its invalidation. Notwithstanding the foregoing, the chair of the Meeting has the discretion to accept proxies received after such deadline.

4. NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Shares in their own name. Beneficial Shareholders should note that only those Shareholders whose names appear on the register of the registrar and transfer agent for Hemostemix as Registered Holders or duly appointed proxy holders are recognized and permitted to vote at the Meeting. Many Shareholders are "non-registered" shareholders because the Shares they own are not registered in their names but are instead registered in the names of Intermediaries through which they hold their Shares. More particularly, a person is not a Registered Holder of Shares if such Shares are held on behalf of that person (the "**Beneficial Shareholder**") and are registered either: (a) in the name of an Intermediary that the Beneficial Shareholder deals with in respect of the Shares; or (b) in the name of a clearing agency (such as CDS Clearing and Depositary Services Inc.) of which the Intermediary is a participant. In Canada, the vast majority of shares are registered in the name of CDS Clearing and Depositary services Inc., which company acts as nominee for many Canadian brokerage firms. Shares so held by Intermediaries can only be voted (for or against resolutions) upon the instructions of Beneficial Shareholders. Without specific instructions, Intermediaries are prohibited from voting Shares held for Beneficial Shareholders. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person or that the Shares are duly registered in their name.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the voting instruction form supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided to Registered Holders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails the form to Beneficial Shareholders and asks Beneficial Shareholders to return the form to Broadridge, or otherwise communicate voting instructions to Beneficial Shareholders (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Shares must otherwise be communicated to Broadridge) well in**

advance of the Meeting in order to have the Shares voted. If you have any questions respecting the voting of Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance. In accordance with the requirements of the Canadian Securities Administrators, Hemostemix will have distributed copies of the Notice of Meeting, this Information Circular and the accompanying form of proxy (collectively, the “**Meeting Materials**”) to Intermediaries for distribution to applicable Beneficial Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Beneficial Shareholders. Hemostemix will not send proxy-related materials directly to non-objecting or objecting Beneficial Shareholders; however, such materials will be delivered to Beneficial Shareholders by Broadridge or through Beneficial Shareholders’ Intermediaries. Hemostemix will pay the reasonable fees and costs of Broadridge or a Beneficial Shareholder’s Intermediary to deliver the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to objecting Beneficial Shareholders.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of its Intermediary, it may attend the Meeting as a proxy holder for the Registered Holder and vote its Shares in that capacity. **Should a Beneficial Shareholder wish to vote at the Meeting in person, it should enter its own name in the blank space on the form of proxy provided to the Beneficial Shareholder and return the document to its Intermediary in accordance with the instructions provided by such Intermediary well in advance of the Meeting.**

5. NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Alberta, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation was amalgamated under the *Business Corporations Act* (Alberta) (the “**ABCA**”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

6. VOTING OF PROXIES

Record Date

The Record Date for determining the Shareholders entitled to receive notice of and to vote at the Meeting is **April 30, 2025**. Only Shareholders whose names have been entered in the register of Shareholders on the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting. **To the extent a Shareholder transfers the ownership of any of its Shares after the Record Date and the transferee of those Shares establishes that it owns such Shares and requests, at least 10 days before the Meeting, to be included in the list of Shareholders eligible to vote at the Meeting, such transferee will be entitled to vote those Shares at the Meeting or any postponement(s) or adjournment(s) thereof.**

Signature of Proxy

The form of proxy accompanying this Information Circular must be executed by the Shareholder or its attorney duly authorized in writing, or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized. A proxy signed by a person acting as attorney or in some other representative capacity should reflect such person's capacity following its signature and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with Hemostemix).

Voting of Proxies

The Shares represented by the form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for, and if the Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, then the Shares will be voted accordingly. **In the absence of such instructions, the Shares will be voted for the approval of all matters identified in the Notice of Meeting accompanying this Information Circular.**

Exercise of Discretion of Proxy

The accompanying form of proxy confers discretionary authority upon the persons named with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. The Shares represented by the proxy will be voted on such matters in accordance with the best judgment of the person voting such Shares. At the date of this Information Circular, management of Hemostemix knows of no amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Information Circular. Shareholders who are planning on returning the form of proxy accompanying this Information Circular are encouraged to review this Information Circular carefully before submitting the form of proxy.

7. INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management of the Corporation is not aware of any material interest, whether direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, of any director or executive officer of the Corporation who has held that position at any time since the beginning of the Corporation's financial years ended **December 31, 2024 and 2023**, or of any proposed nominee for election as director of the Corporation or any associate or affiliate of any of the foregoing except as specifically provided herein. For further particulars in respect of any such matters, see under the headings "*Director and Named Executive Officer Compensation*", "*Interest of Informed Persons in Material Transactions*", "*Management Contracts*" and "*Particulars of Matters to be Acted Upon*".

The present directors and officers of the Corporation together with the other management nominees for the board of directors of the Corporation (the "**Board**") and their associates and affiliates own beneficially, directly or indirectly, or exercise control or direction over, an aggregate of approximately 16,414,746 Shares (representing approximately 11.30% of the issued and outstanding Shares) as at the Record Date.

The directors and officers of the Corporation together with the other management nominees for the Board and their associates and affiliates have agreed to vote all Shares beneficially owned by them in favour of the matters to be considered at the Meeting.

8. VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SHARES

Only Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting. **To the extent a Shareholder transfers the ownership of any of its Shares after the Record Date and the transferee of those Shares establishes that it owns such Shares and requests, at least 10 days before the Meeting, to be included in the list of Shareholders eligible to vote at the Meeting, such transferee will be entitled to vote those Shares at the Meeting or any postponement(s) or adjournment(s) thereof.**

The Corporation is also authorized to issue an unlimited number of shares designated as Preferred Shares. There were no Preferred Shares issued and outstanding as at Record Date.

To the knowledge of the directors and executive officers of the Corporation, as at the Record Date, no person or company beneficially owns, or controls or directs, directly or indirectly, Shares carrying 10% or more of the votes which may be cast at the Meeting. This information, not being within the knowledge of the Corporation, has been derived from information provided by such relevant persons or from public sources available to the Corporation.

9. VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting, in person or by proxy, is required to pass the ordinary resolutions described herein. At least two-thirds of the votes cast at the Meeting, in person or by proxy, is required to pass the special resolutions described herein. If there are more nominees for election as directors or appointment of the Corporation's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

Oversight and Description of Director and NEO Compensation

The Board as a whole assumes responsibility for reviewing and monitoring compensation for the Corporation's senior management, and as part of that mandate determines the compensation of the Corporation's CEO and CFO. The Board wishes to provide information about the Corporation's executive compensation objectives and processes and to discuss compensation decisions relating to its NEOs and directors listed in the compensation tables that follow.

The Board considers not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial situation of the Corporation both in the mid-term and the long-term. Because stock options do not require cash disbursement by the Corporation they are an important element of executive compensation. Additional information about the Corporation and its operations is available in the Corporation's consolidated financial statements for financial years ended December 31, 2024 and 2023, and related management's discussion and analysis for the years ended December 31, 2024 and 2023, which have been filed with regulators and are available for review under the Corporation's profile under the Corporation's corporate profile at www.sedarplus.ca.

The Board has assessed the Corporation's compensation plans and programs for its executive officers to ensure alignment with the Corporation's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Corporation. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Corporation has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Corporation, none of the executive officers or directors has purchased such financial instruments.

11. COMPENSATION

The Corporation's executive compensation program is administered by the compensation committee (the "**Compensation Committee**") of the Board (formerly a combined Corporate Governance and Compensation Committee).

The members of the Compensation Committee is currently composed of: Dr. Ronnie Hershman, Chair, Peter Lacey and Loran Swanberg. As part of its mandate, the Compensation Committee reviews and recommends to the Board the remuneration of the NEOs.

Administration by the Compensation Committee

The Corporation's executive compensation program is administered by the Compensation Committee. The Compensation Committee has been mandated, among other things, to:

- (a) evaluate annually the performance of the President and CEO, other senior officers, and management personnel and recommend to the Board annual compensation packages and performance objectives;
- (b) review and recommend for approval by the Board, employment agreements for executive officers;
- (c) evaluate annually the performance of the President and CEO, other senior officers, and management personnel and recommend to the Board annual compensation packages and performance objectives;

- (d) review and recommend for approval by the Board, the executive compensation philosophy and remuneration policy for the Corporation;
- (e) recommend compensation policies and guidelines for senior officers and management personnel and advise the Board on corporate benefits and incentive plans;
- (f) advise the Board on the succession plan for the CEO;
- (g) advise and make recommendations to the Board on the administration of the Option Plan, including the term and vesting of Options, and review and approve the recommendations of senior management relating to the annual salaries, bonuses and Option grants of the executive officers and key employees;
- (h) review and recommend to the Board any significant changes to the overall compensation program; and
- (i) review the adequacy and form of the compensation of directors periodically to determine if the compensation realistically reflects the responsibilities and risks involved in being an effective director and committee member, and to report and make recommendations to the Board accordingly.

Compensation Philosophy and Objectives of the Compensation Program

The Corporation's compensation program intends to seek to encourage further development and commercialization of the technologies. To achieve these objectives, the Corporation believes it is critical to create and maintain a compensation program that will attract and retain committed, highly qualified personnel by providing appropriate rewards and incentives, motivate their performance in order to achieve the Corporation's strategic objectives and align the interests of executive officers with the long-term interests of the Corporation's shareholders and enhancement in share value.

Compensation Objectives and Elements of NEOs Compensation

The Corporation compensates (or where necessary and applicable pursuant to the Management Agreement, enables or is ultimately responsible for indirect compensation of) its NEOs through the following: (a) base salary; (b) discretionary cash bonuses paid from time to time based on performance; and (c) long-term incentive compensation consisting of grants of Options at levels which the Compensation Committee believes are reasonable in light of the performance of the Corporation.

Base Salary

Base salaries are intended to compensate each NEO's core competencies, skills, experience and contribution to the Corporation. The Compensation Committee believes that base salaries should be competitive but total compensation should be weighted toward variable, long term performance-based components.

The Compensation Committee, in conjunction with the Board, periodically reviews and selects a compensation peer group of companies involved in biotechnology research and development similar to the area in which the Corporation operates. Base salaries are periodically compared to the Corporation's industry peer group through publicly available information and available compensation surveys prepared by compensation consultants. Consideration has been and will be given to the Corporation's growth plans, area of operations and its objective of attracting and retaining highly talented individuals from within the industry.

Cash Bonus

Discretionary cash bonuses are intended to motivate and reward the accomplishment of specific business and operating objectives within a defined period. Cash bonuses are paid at the discretion of the Board on the recommendation of the Compensation Committee, based upon the achievement of certain corporate objectives. Cash bonuses awarded by the Compensation Committee are intended to be generally competitive with the market. The Compensation Committee considers the Corporation's performance during the year with respect to the qualitative goals in the context of market and economic trends and forces, extraordinary internal and market-driven events, unanticipated developments and other extenuating circumstance in making bonus determinations.

All payments made in 2024 and 2023 are reflected in the audited financial statements. Similar to the determination of base salaries, consideration is given by the Compensation Committee to the Corporation's compensation peer group and other factors including the overall Corporation's performance and employee performance when determining if any cash bonuses were to be paid.

Proposed cash bonuses for NEOs, excluding the CEO, will be recommended by the CEO, reviewed by the Compensation Committee, and, if deemed appropriate, recommended to the Board for approval. Any cash bonus to be paid to the CEO will be determined by the Board based on recommendations received from the Compensation Committee.

The members of the Corporation's corporate governance committee (the "**Corporate Governance Committee**") of the Board is currently composed of Peter Lacey, Chair, Dr. Ronnie Hershman and Loran Swanberg.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

The Corporate Governance Committee is responsible for ensuring conformity with the following corporate objectives:

- (a) review and recommend for approval by the Board, the Corporation's key human resources policies;
- (b) review and reassess the adequacy of its mandate at least annually, and otherwise as it deems appropriate, and recommend changes to the Board. Such review shall include the evaluation of the performance against criteria defined in the Corporate Governance and Board mandates; and
- (c) perform any other activities consistent with its mandate, the Corporation's by-laws, governing laws and applicable regulations or rules.

Board of Directors

Pursuant to NI 58-101, a director is independent if the director has no direct or indirect relationship with the issuer. A material relationship is a relationship which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Corporation.

The Board is currently composed of four members, Peter Lacey, Thomas Smeenk, Dr. Ronnie Hershman and Loran Swanberg. Peter Lacey, Dr. Ronnie Hershman and Loran Swanberg are considered to be independent within the meaning of NI 58-101. Thomas Smeenk is not independent (President and CEO of the Corporation). In assessing whether a director is independent for these purposes, the circumstances of each director have been examined in relation to a number of factors.

The independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates its exercise of independent supervision over management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has free access to the Corporation's external auditors, legal counsel and to any of the Corporation's officers.

Directorships

The following directors are board members of other reporting issuers as follows:

Name of Director	Name of Reporting Issuer	Exchange
Nil	Nil	Nil

Orientation and Continuing Education

The Board is responsible for ensuring that new directors are provided with an orientation and education program, which will include written information about the duties and obligations of directors, the business and operations of the Corporation, documents from recent Board meetings, and opportunities for meetings and discussion with senior management and other directors. Directors are expected to attend all Board meetings and prepare thoroughly in advance of each Board meeting in order to actively participate in the deliberations and decision-making process.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Board notes that it has benefited from the diverse experience and knowledge of its constituent members in respect of the evolving governance regime and principles. The Board ensures that all directors are apprised of changes and proposed changes in the Corporation's operations and business.

Ethical Business Conduct

The Board is apprised of the activities of the Corporation and ensures that it conducts such activities in an ethical manner. The Board has not adopted a written code of business conduct and ethics; however, the Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct. In particular, the Board ensures that directors exercise independent judgment in considering transactions and certain activities of the Corporation by holding in camera sessions of independent directors, when appropriate, and by having each director declare his or her interest in a particular transaction and abstaining from voting on such matters, where applicable.

Nomination of Directors

The Board is responsible for identifying and evaluating qualified candidates for nomination to the Board and does not have a separate nominating committee. The process by which candidates are identified is through recommendations presented to the Board, which establishes qualifications based on corporate law and regulatory requirements as well as education and experience related to the business of the Corporation. In identifying candidates, the Board considers the competencies and skills that the Board considers to be necessary for the Board as a whole to possess, the competencies and skills that the Board considers each existing director to possess, the competencies and skills each new nominee will bring to the Board and the ability of each new nominee to devote sufficient time and resources to his or her duties as a director. The Board also considers candidate independence and financial acumen in making recommendations for nomination. The Board does not keep a formal list of potential directors. The core competencies of any new director would be determined by the Board on a case by case basis depending on which existing director was to be replaced or what perceived area of expertise needed to be addressed.

Pursuant to its mandate, the Board takes responsibility for establishing and reviewing the Corporation's system of corporate governance and its response to and compliance with any applicable regulatory guidelines. It is also responsible for preparing disclosure concerning corporate governance matters, and for developing and monitoring the Corporation's general approach to corporate governance issues as they arise. Further, the Board assumes responsibility for assessing current members of the Board and ensuring that all Board members are informed of and are aware of their duties and responsibilities as directors.

Other Board Committees

The Corporation has no standing committees at this time other than the Audit Committee, the Corporate Governance Committee and the Compensation Committee.

Assessments

The practices of the Board respecting the above corporate governance matters are subject to modifications over time as the Corporation and the business environment evolves. Included in the mandate of the Board is the responsibility to assess the independence and effectiveness of the Board as a whole, the committees of the Board and individual directors. The Board, its committees and individual directors are assessed on an informal basis continually as to their effectiveness and contributions. The Board encourages an open discussion forum amongst the members of the Board as regards the effectiveness of the Board as a whole, its committees and of each individual director. All directors are free to make suggestions to improve the practices of the Board at any time and are encouraged to do so. If necessary, the Board will create measures, control mechanisms and the necessary structures to ensure the efficient execution of its responsibilities.

ITEM 5 – APPROVAL TO AMEND OPTION PLAN TO HYBRID SECURITY BASED COMPENSATION PLAN

Background and Purpose of Amendment

The Corporation currently maintains a rolling 10% stock option plan (the "**Current Plan**"), which allows for the issuance of Options exercisable into a number of Shares equal to up to 10% of the Corporation's issued and outstanding share capital at the time of grant. The Current Plan is structured in accordance with Exchange Policy 4.4 – *Security Based Compensation*.

To provide the Corporation with additional flexibility in granting long-term incentive compensation and to preserve the ability to issue Options even after dilution events (such as equity financings), the Board of Directors has approved, and is seeking shareholder approval for, an amendment to the Current Plan to convert it into a Hybrid Security Based Compensation Plan (the "**Amended Plan**"). A full copy of the Amended Plan is attached as Schedule "A" to this Information Circular.

The Amended Plan will include:

- A rolling component, similar to the Current Plan, permitting the issuance of Options for up to a maximum of 10% of the Corporation's issued and outstanding Shares from time to time; and
- The fixed component (the "**Fixed Reserve**") permits the issuance of other awards (excluding Options) under security based compensation plans, as applicable, under which the Corporation may reserve for issuance, Common Shares issuable up to a maximum of 10% of the Corporations issued and outstanding Common Shares, being 14,531,271, as of the date of implementation of the Amended Plan, if approved by Shareholders at the Meeting.

This hybrid approach allows the Corporation to combine the flexibility of a rolling 10% plan with the stability of a Fixed Reserve, and aligns with practices of other Exchange-listed issuers seeking to retain and attract qualified directors, officers, employees, and consultants.

Summary of Key Changes in the Amended Plan

- Incorporates a fixed reserve of up to 14,531,271 Common Shares in other security based compensation awards (other than Options) in addition to the 10% rolling reserve;
- Clarifies internal tracking and allocation of options between the two components;
- Requires annual shareholder approval of the rolling portion;
- Provides for disinterested shareholder approval where insider grants exceed Exchange thresholds;
- Adds explicit provisions regarding compliance with Exchange rules on fixed/rolling hybrid structures; and
- All other terms of the Current Plan remain unchanged.

Regulatory Compliance

The Exchange requires shareholder approval for:

- The adoption or amendment of a fixed component;
- Grants to insiders in excess of 10% of issued capital; and
- All rolling plans, which must be approved annually.

The Corporation intends to seek Exchange acceptance of the Amended Plan following shareholder approval. No Options under the fixed component will be exercisable until all required approvals are obtained.

Management recommends, and the persons named in the enclosed Proxy intend to vote in favour of, the approval of the Amended Plan.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by Proxy must be voted in favour of the resolution.

Shareholder Resolution to Approve Amended Plan

"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

1. The amendment to the Corporation's existing 10% rolling stock option plan to convert it into a hybrid security based compensation plan (the "**Amended Plan**"), as described herein and attached as Schedule "B" to the Information Circular of the Corporation dated April 30, 2025, is hereby authorized and approved;
2. The Amended Plan, shall include both:
 - (i) a rolling component that permits the issuance of stock options exercisable into up to 10% of the issued and outstanding Shares of the Corporation from time to time; and
 - (ii) a fixed component authorizing the issuance of awards, other than stock options, under security based compensation plans, under which the Corporation may reserve for issuance, Common Shares issuable up to a maximum of 10% of the Corporations issued and outstanding Common Shares, being 14,531,271, as of the date of implementation of the Amended Plan;
3. Any officer or director of the Corporation is hereby authorized and directed, for and on behalf of the Corporation, to execute and deliver such documents and take such actions as may be necessary or desirable to give effect to this resolution and the implementation of the Amended Plan."

To be effective, the resolution must be passed by at least a majority of the votes cast at the Meeting. **Unless otherwise directed by the Shareholders appointing them as proxy holder, the persons named in the accompanying form of proxy intend to vote all Shares in respect of which they are appointed proxy holder FOR the approval of the Amended Plan.**

6. **THE HYBRID PLAN FOR FIXED AND ROLLING COMPONENTS**

In accordance with Exchange Policy 4.4 – Security Based Compensation (“**Policy 4.4**”), the Corporation adopts a hybrid structure under this Plan, combining both a rolling and a fixed reserve for stock option grants.

- (a) Rolling Reserve

The rolling component (the “**Rolling Reserve**”) permits the issuance of stock options exercisable into up to a maximum of 10% of the Corporation’s issued and outstanding Common Shares as of the date of any grant. This reserve adjusts automatically as the Corporation’s issued share capital changes and is subject to annual reapproval by shareholders, as required under Exchange rules.

- (b) Fixed Reserve

The fixed component (the “**Fixed Reserve**”) permits the issuance of awards other than Options under Security Based Compensation Plans, as applicable, under which the Corporation may reserve for issuance, Common Shares issuable up to a maximum of 10% of the Corporations issued and outstanding Common Shares, being 14,531,271, as of the date of implementation of the most recent “fixed” Plan approved by Shareholders.

- (c) Aggregate Limit

The maximum number of Common Shares issuable under this Plan shall not exceed the sum of (i) the Rolling Reserve, being up to 10% of the Corporation’s issued and outstanding Common Shares as of the applicable grant date, and (ii) the Fixed Reserve, being 14,531,271 Common Shares as fixed at the date of Plan adoption and representing approximately 10% of the Corporation’s issued and outstanding Common Shares as of such date.

7. GRANTS, TERMS AND CONDITIONS OF OPTIONS

Options may be granted by the Board at any time and from time to time prior to the termination of the Plan. Options granted pursuant to the Plan shall be contained in an Option Agreement and, except as hereinafter provided, shall be subject to the following terms and conditions:

(a) Option Price

The Option Price shall be determined by the Board, provided that such price shall not be lower than the Fair Market Value of the Option Shares on the date of grant of the Option.

(b) Duration and Exercise of Options

Except as otherwise provided elsewhere in this Plan, the Options shall be exercisable for a period, or in percentage installments over a period, to be determined in each instance by the Board, not exceeding ten years from the Option Date, provided that so long as the Corporation is classified as a "Tier 2" issuer by the Exchange, the Options shall be exercisable for a period not exceeding ten years from the Option Date. The Options must be exercised in accordance with this Plan and the Option Agreement.

Except as contemplated in (c) below, no Option may be exercised by an Optionee who was an Eligible Person at the time of grant of such Option unless the Optionee shall have been an Eligible Person continuously since the Option Date. Absence on leave, with the approval of the Corporation, shall not be considered an interruption of employment for the purpose of the Plan.

(c) Termination

All rights to exercise Options shall terminate upon the earliest of:

- (i) the expiration date of the Option;
- (ii) the 90th day after the Optionee ceases to be an Eligible Person for any reason other than death, disability or cause;
- (iii) the 30th day after the Optionee who is engaged in Investor Relations Activities for the Corporation ceases to be employed to provide Investor Relations Activities;
- (iv) the date on which the Optionee ceases to be an Eligible Person by reason or termination of the Optionee as an Employee or Consultant of the Corporation for cause (which, in the case of a Consultant, includes any breach of an agreement between the Corporation and the Consultant);
- (v) the first anniversary of the date on which the Optionee ceases to be an Eligible Person by reason of termination of the Optionee as an Employee or Consultant on account of disability; or
- (vi) the first anniversary of the date of death of the Optionee.

(d) Re-issuance of Options

Options which are cancelled or expire prior to exercise may be re-issued under the Plan.

(e) Transferability of Option

Options are non-transferable and non-assignable.

(f) Vesting of Option Shares

Subject to complying with Section 7(iii) herein, the Directors may determine and impose terms upon which each Option shall become Vested in respect of Option Shares, provided however that no acceleration of the vesting provisions applicable to Options granted to an Investor Relation Service Provider without the prior written approval of the Exchange.

(g) Other Terms and Conditions

The Option Agreement may contain such other provisions as the Board deems appropriate, provided such provisions are not inconsistent with the Plan and the requirements of the Exchange.

In addition, for as long as the Common Shares of the Corporation are listed on the Exchange, the Corporation shall comply with the following requirements:

- (i) so long as the Corporation is classified as either a “Tier 1” or “Tier 2” issuer by the Exchange, all grants of Security Based Compensation, including Options, to acquire more than 5% of the issued and outstanding Common Shares of the Corporation may not be granted to any one individual in any 12-month period;
- (ii) Security Based Compensation to acquire more than 2% of the issued and outstanding Common Shares of the Corporation may not be granted to any one Consultant in any 12-month period;
- (iii) Options to acquire more than an aggregate of 2% of the issued and outstanding Common Shares of the Corporation may not be granted to persons employed to provide Investor Relations Activities in any 12-month period;
- (iv) Options issued to persons performing Investor Relations Activities must vest in stages over 12 months with no more than one-quarter of the Options vesting in any three-month period;
- (v) the approval of the disinterested shareholders of the Corporation shall be obtained for any amendment to, extension of the Option, or reduction in the exercise price of the Option if the Optionee is an insider of the Corporation at the time of the amendment. For the purposes of this subsection, the term “insider” has the meaning assigned in the securities legislation applicable to the Corporation;
- (vi) for Options granted to the Employees, Consultants or Management Company Employees of the Corporation, the Corporation and the Participant will represent that the Optionee is a *bona fide* Employee, Consultant or Management Company Employee of the Corporation, as the case may be;
- (vii) any Option Shares acquired pursuant the exercise of options prior to the completion of the Corporation’s Qualifying Transaction, as defined in the policies of the Exchange, must be deposited in escrow in accordance with the policies of the Exchange; and
- (viii) Investor Relations Service Providers are only eligible to receive Options and no other form of Security Based Compensation.

8. ADJUSTMENT OF AND CHANGES IN THE OPTION SHARES

- (a) The Exchange will permit an Issuer to amend the terms of Security Based Compensation without the acceptance of the Exchange to:
 - (i) reduce the number of Listed Shares that may be issued under such Security Based Compensation;
 - (ii) increase the exercise price of a Stock Option; or
 - (iii) cancel Security Based Compensation;provided the Issuer issues a news release outlining the terms of the amendment.
- (b) Except as provided under above, an Issuer can amend the other terms of Security Based Compensation only where prior Exchange acceptance is obtained and where the following requirements are met:
 - (i) the Issuer issues a news release outlining the terms of the amendment;
 - (ii) if the amendment is in respect of Security Based Compensation held by an Insider of the Issuer, the Issuer obtains disinterested Shareholder approval;
 - (iii) if the Stock Option exercise price is amended, at least six months have elapsed since the later of the date of commencement of the term, the date the Issuer’s Listed Shares commenced trading, or the date the Stock Option exercise price was last amended;

- (iv) if the Stock Option exercise price is amended to less than the Market Price, the Exchange Hold Period is applied from the date of the amendment (and for greater certainty, where the Stock Option exercise price is amended to the Market Price, the Exchange Hold Period will not apply); and
- (v) if the length of the Stock Option term is amended, any extension of the length of the term of the Stock Option is treated as a grant of a new Stock Option, and therefore the amended Stock Option must comply with the pricing and other requirements of this Policy as if it were a newly granted Stock Option. The term of a Stock Option cannot be extended so that the effective term of the Stock Option exceeds 10 years in total. A Stock Option must be outstanding for at least one year before the Issuer can extend its term.

The Exchange must accept a proposed amendment before the Security Based Compensation may be exercised, redeemed or settled as amended.

9. PAYMENT

Subject as hereinafter provided, the full purchase price for each of the Option Shares shall be paid by certified cheque in favour of the Corporation upon exercise thereof. An Optionee shall have none of the rights of a shareholder in respect of the Option Shares until the shares are issued to such Optionee.

10. SECURITIES LAW REQUIREMENTS

No Option shall be exercisable in whole or in part, nor shall the Corporation be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of counsel for the Corporation, constitute a breach of any applicable laws from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

11. AMENDMENT OF THE PLAN

- (a) Subject to Section 8 herein, the Board may amend, suspend or terminate the Plan or any portion thereof at any time, but an amendment may not be made without shareholder approval if such approval is necessary to comply with any applicable regulatory requirement.
- (b) The Board shall have the power, in the event of:
 - (i) any disposition of substantially all of the assets of the Corporation, dissolution or any merger, amalgamation or consolidation of the Corporation, with or into any other Corporation, or the merger, amalgamation or consolidation of any other Corporation with or into the Corporation; or
 - (ii) any acquisition pursuant to a public tender offer of a majority of the then issued and outstanding Common Shares;

but subject to compliance with the rules of the Exchange, to amend any outstanding Options to permit the exercise of all such Options prior to the effectiveness of any such transaction, and to terminate such Options as of such effectiveness in the case of transactions referred to in subsection (i) above, and as of the effectiveness of such tender offer or such later date as the Board may determine in the case of any transaction described in subsection (ii) above. If the Board exercises such power, all Options then outstanding and subject to such requirements shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to the effectiveness of such transaction, and such Options shall also be deemed to have terminated as provided above.

12. POWER TO TERMINATE OR AMEND PLAN

Subject to the approval of any stock exchange on which the Corporation's securities are listed, the Board may terminate, suspend or amend the terms of the Plan; provided, that the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, shareholder approval, and, where required, disinterested shareholder approval, or by the written consent of the holders of a majority of the securities of the Company entitled to vote:

- (a) increase the aggregate number of Common Shares which may be issued under the Plan;
- (b) materially modify the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation;
- (c) add a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserve; and
- (d) materially increase the benefits accruing to Participants under the Plan.

However, the Board may amend the terms of the Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval for amendments of a housekeeping nature to the Plan.

13. SHAREHOLDER APPROVAL

This Plan, as amended to include a fixed reserve under a hybrid structure, is subject to the approval of the shareholders of the Corporation and acceptance by the Exchange.

- No Security Based Compensation may be granted under the Fixed Reserve portion of the Plan until shareholder approval is obtained.
- The Rolling Reserve component must be re-approved annually by shareholders in accordance with Exchange Policy 4.4.
- Any Options granted to insiders that result in the issuance of greater than 10% of the Corporation's issued and outstanding Common Shares (on a post-grant basis) shall require disinterested shareholder approval.
- Shareholder approval may be obtained by ordinary resolution at a duly called meeting of shareholders or by written consent, where permitted.
